

2015 Walk with Clausen House

1000 Steps for Independence

Join us for the 3rd Annual Walk with the Clausen House Community!

This year, we will be taking 1000 Steps for Independence together. Our Annual Walk is an opportunity to unite as a strong community of advocates and supporters, community partners, family members and friends to spread the word and share the love of the Clausen House mission and invaluable footprint at a festive fundraising event. It is more than just a fun day in the sun with live entertainment from our gifted clients. It is an opportunity to take a meaningful 1000 Steps for Independence together. Won't you join us?
